

POLICY

The top management of TCM ensures that its QHSE Policies are understood. This is accomplished through training, communication, and displays. The Policy is implemented by means of documentation, and training about the QHSE Management System to meet the requirements of the Standard. The Policy is maintained through inherent Management Systems audits and corrective and preventive action, and reviewed for continuing suitability through periodic Management Reviews. Further, the Policies are supported by the quality objectives listed in this Apex Manual.

QUALITY, ENVIRONMENT & OCCUPATIONAL HEALTH AND SAFETY POLICY

At TCM, we are committed to produce world class Denim Dyed Fabrics that fulfil our customer requirements at the highest level together with the following commitment's

- On time dispatch from ex-factory
